- Force Majeure.** In the event that either Party is prevented from performing or is unable to perform any of its obligations under this Agreement or an Order under this Agreement (other than payment of amounts due hereunder) due to any Act of God, fire, casualty, flood, war, strike, lockout, epidemic, destruction of facilities, riot, insurrection, or any other cause beyond the reasonable control of the Party invoking this Section, such party's performance shall be excused and the time for the performance shall be extended for the period of the delay or inability to perform due to such occurrences.

Each party irrevocably agrees that any legal action, suit or proceeding brought by it in any way arising out of this Agreement must be brought solely and exclusively in, and will be subject to the service of process and other applicable procedural rules of, the state or federal courts in Delaware.
 17. **Severability.** If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future law, and if the rights or obligations of either Party under this Agreement will not be materially and adversely affected thereby such provision shall be fully severable and the remaining provisions of this Agreement shall remain in full force and effect to the fullest extent permitted by applicable law, each Party hereby waives any provision of law that would render any provision prohibited or unenforceable in any respect.
