APPLYING FOR A VARIANCE

Variances to zoning ordinances are considered by the CITY OF SHEBOYGAN Zoning Board of Appeals monthly at a public hearing. In order to be considered at the next meeting, applications must be received in the Building Inspection Department Office *no later than* **NOON** on:

5-30-18  
Application deadline date (last working day of the month)

June 20, 2018  
Date: Board of Appeals Meeting

**All applications must include:**

1. Application forms, signed and dated, which are available at the Building Inspection Department Office.
2. A legal description of the property.
3. The non-refundable filing fee - \$250.00.
4. A site sketch, drawn to scale if possible, indicating the location of all existing structures and the proposed construction. Also indicate lot lines, size of lot, streets and other public ways, driveways, off-street parking, loading areas, and existing and proposed front, side and rear yards. Please consult with Building Inspection staff for more information.
5. Photographs of the property.

**Note** The applicant can present any additional information which is necessary to inform the Board of the facts.

**FAILURE TO SUPPLY ADEQUATE AND / OR ACCURATE INFORMATION AS REQUESTED ABOVE CAN BE GROUNDS FOR DISMISSAL OF THE APPEAL REQUEST.**

Applicants should be prepared to answer the following questions:

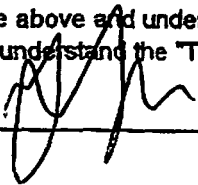

- \* *What **hardship** is created by the application of the Zoning Ordinance to this property? Is **reasonable use** of the property denied by the zoning regulations? In other words, is there an alternative plan that would **comply** with the ordinance?*
- \* *Is there a **unique physical characteristic** of the property which prevents development of the property in compliance with the Zoning Ordinance.*
- \* *Would granting the variance harm the **public interest** in any way? For example, would public safety be compromised? (Note: Lack of neighborhood opposition does not necessarily mean that a variance would not harm the public interest.)*

A notice of the date and time of the hearing will be mailed to all property owners within 100 feet of your property. Notice of hearing will also be sent to the City of Sheboygan Planning Department. It is important that you discuss your proposal with the Building Inspection Department and Planning Department.

The property owner or a representative shall be present at the public hearing to present his or her request to the Board and to answer any questions the Board members may have. Should an appearance not be made, or should insufficient information be presented, the appeal will not be considered and may be either placed on the agenda for the next meeting or be denied. The appellant will be required to pay the additional expense that is incurred because of postponement of the hearing. Appellants are reminded that the filing fee for a variance request is non-refundable.

I have read the above and understand my responsibilities regarding my appeal to the Zoning Board of Appeals. I have also read and understand the "Three Tests" for a Variance included with this form.

## THE THREE "TESTS" FOR A VARIANCE

The CITY OF SHEBOYGAN adheres to a set of Zoning Ordinances to make certain that your proposed construction is consistent with neighboring developments, that a development does not infringe on the enjoyment of property belonging to neighboring owners, that it does not detract from surrounding buildings or lots and is not out of character with the neighborhood, and that a project meets necessary public health and safety standards. If your proposed construction cannot meet the requirements of the zoning code or sign code, a **VARIANCE** is needed.

To obtain a variance, you must establish that, due to some peculiarity of the property's size, shape, topography, etc., it would be a hardship or practical difficulty to meet zoning code requirements. *These circumstances must not be self-imposed or self-created.* In short, your proposed construction must meet and pass the three "tests" for a variance listed below.

IT IS RECOMMENDED THAT YOU MEET WITH THE STAFF IN THE CITY'S PLANNING DEPARTMENT AND BUILDING INSPECTION DEPARTMENT BEFORE SUBMITTING YOUR APPLICATION FOR A VARIANCE. BUILDING INSPECTION STAFF WILL REVIEW THE STANDARDS FOR A VARIANCE (BELOW) PRIOR TO YOUR FILLING OUT THE APPLICATION AND PAYING THE NON-REFUNDABLE FILING FEE.

### TEST #1: UNNECESSARY HARDSHIP

The Wisconsin Supreme Court has ruled that unnecessary hardship only exists when the zoning ordinance denies *all reasonable use* of property. *If there is an alternative plan that is within the bounds of the zoning ordinance, a variance is not warranted.*

The hardship experienced *must not be self-imposed*; loss of profit, expense already incurred and additional expense incurred to comply with zoning ordinances *are not* unnecessary hardships.

### TEST #2: UNIQUE PROPERTY LIMITATIONS

Unique physical characteristics of your property must prevent you from completing your proposed construction in compliance with the ordinance. The **property** must qualify for the variance, **not your particular situation.**

Additionally, existing violations on other properties or improper variances previously granted are not grounds for a variance.

### TEST #3: NO HARM TO PUBLIC INTEREST

The Board members will be taking into account the reason for the existence of the zoning ordinance in applying this test. Lack of opposition *does not* necessarily mean that the proposed construction would not harm the public interest.

The Board, in granting a variance, may impose conditions on the proposed construction to assure that the public's interests are protected. Board members may only grant the *minimum relief* necessary for the reasonable use of the property.

Your proposed construction must meet all three "tests" to qualify for a variance. Variances are meant to be an *infrequent* remedy where an ordinance imposes a unique and substantial burden. *They are not intended as an accommodation for a property owner's convenience.* A variance decision may be appealed within 30 days of the filing of the decision in the office of the board.

*Please contact the staff at the City's Planning Department and/or Building Inspection Department if you have any further questions.*
