Subject: Speed Limit Posting Near School

Hello Susan,

I was provided your name by John Samuels. I am the parent of a student at Bethlehem Lutheran School in Sheboygan (1121 Georgia Avenue Sheboygan 53081). Bethlehem is a private school of about 150 students grades 4K-8th. Currently, the posted speed limit around the school is 25 mph. Because there is no parent parking lot, parents must park on the streets of either 12th/Georgia, Georgia, or 11th/Georgia. Drivers frequently speed by without slowing down to even the posted speed limit.

Helping my daughter in and out of the car on the driver's side is a hazard that makes me uneasy each day. It is possible that drivers are not aware Bethlehem is a school. I propose bringing more awareness and caution to the area by having signs posted on 12th, Georgia, and 11th St indicating the "Speed Limit is 15 mph When Children are Present".

I have spoken with several parents who agree and share my concern and we'd love to see this proposal taken for consideration. I am happy to help however I can. Please let me know what the next steps would be to move this proposal forward.
