NOTE: If purchase is conditioned on buyer obtaining financing for operations or development consider adding a contingency for that purpose.

BUYER'S LOAN COMMITMENT: Buyer agrees to pay all customary loan and closing costs, to promptly apply for a mortgage loan, and to provide evidence of application promptly upon request of Seller. If Buyer qualifies for the loan described in this Offer or another loan acceptable to Buyer, Buyer agrees to deliver to Seller a copy of the written loan commitment no later than the deadline at line 229. Buyer and Seller agree that delivery of a copy of any written loan commitment to Seller (even if subject to conditions) shall satisfy Buyer's financing contingency if, after review of the loan commitment, Buyer has directed, in writing, delivery of the loan commitment. Any Environmental Site Assessment performed under this Offer shall comply with generally recognized industry standards (e.g. current American Society of Testing and Materials "Standard Practice for Environmental Site Assessments"), and state and federal guidelines, as applicable.

CAUTION: Unless otherwise agreed an Environmental Site Assessment does not include subsurface testing of the soil or groundwater or other testing of the Property for environmental pollution. If further investigation is required, insert provisions for a Phase II Site Assessment (collection and analysis of samples), Phase III Environmental Site Assessment (evaluation of remediation alternatives) or other site evaluation at lines 109-115 or 277-286 or attach as an addendum per line 479.

■ **FIXTURE:** A "Fixture" is an item of property which is physically attached to or so closely associated with land or improvements so as to be treated as part of the real estate, including, without limitation, physically attached items not easily removable without damage to the premises, items specifically adapted to the premises and items customarily treated as fixtures, including, but not limited to, all: garden bulbs; plants; shrubs and trees; screen and storm doors and windows; electric lighting fixtures; window shades; curtain and traverse rods; blinds and shutters; central heating and cooling units and attached equipment; water heaters and treatment systems; sump pumps; attached or fitted floor coverings; awnings; attached antennas; garage door openers and remote controls; installed security systems; central vacuum systems and accessories; in-ground sprinkler systems and component parts; built-in appliances; ceiling fans; fences; storage buildings on permanent foundations and docks/piers on permanent foundations. A Fixture does not include trade fixtures owned by tenants of the Property.

CAUTION: Exclude Fixtures not owned by Seller such as rented fixtures. See lines 20-22.

■ **PROPERTY:** Unless otherwise stated, "Property" means the real estate described at lines 4-7.

■ **DISTRIBUTION OF INFORMATION:** Buyer and Seller authorize the agents of Buyer and Seller to: (i) distribute copies of the Offer to Buyer's lender, appraisers, title insurance companies and any other settlement service providers for the transaction as defined by the Real Estate Settlement Procedures Act (RESPA); (ii) report sales and financing concession data to multiple listing service sold databases; and (iii) provide active listing, pending sale, closed sale and financing concession information and data, and related information regarding seller contributions, incentives or assistance, and third party gifts, to appraisers researching comparable sales, market conditions and listings, upon inquiry.

EARNEST MONEY

■ **HELD BY:** Unless otherwise agreed, earnest money shall be paid to and held in the trust account of the listing broker (Buyer's agent if Property is not listed or Seller's account if no broker is involved), until applied to purchase price or otherwise disbursed as provided in the Offer.

CAUTION: Should persons other than a broker hold earnest money, an escrow agreement should be drafted by the Parties or an attorney. If someone other than Buyer makes payment of earnest money, consider a special disbursement agreement.

■ **DISBURSEMENT:** If negotiations do not result in an accepted offer, the earnest money shall be promptly disbursed (after clearance from payor's depository institution if earnest money is paid by check) to the person(s) who paid the earnest money. At closing, earnest money shall be disbursed according to the closing statement. If this Offer does not close, the earnest money shall be disbursed according to a written disbursement agreement signed by all Parties to this Offer. If said disbursement agreement has not been delivered to broker within 60 days after the date set for closing, broker may disburse the earnest money: (1) as directed by an attorney who has reviewed the transaction and does not represent Buyer or Seller; (2) into a court hearing a lawsuit involving the earnest money and all Parties to this Offer; (3) as directed by court order; or (4) any other disbursement required or allowed by law. Broker may retain legal services to direct disbursement per (1) or to file an interpleader action per (2) and broker may deduct from the earnest money any costs and reasonable attorneys fees, not to exceed \$250, prior to disbursement.

■ **LEGAL RIGHTS/ACTION:** Broker's disbursement of earnest money does not determine the legal rights of the Parties in relation to this Offer. Buyer's or Seller's legal right to earnest money cannot be determined by broker. At least 30 days prior to disbursement per (1) or (4) above, broker shall send Buyer and Seller notice of the disbursement by certified mail. If Buyer or Seller disagree with broker's proposed disbursement, a lawsuit may be filed to obtain a court order regarding disbursement. Small Claims Court has jurisdiction over all earnest money disputes arising out of the sale of residential property with 1-4 dwelling units and certain other earnest money disputes. Buyer and Seller should consider consulting attorneys regarding their legal rights under this Offer in case of a dispute. Both Parties agree to hold the broker harmless from any liability for good faith disbursement of earnest money in accordance with this Offer or applicable Department of Safety and Professional Services regulations concerning earnest money. See Wis. Admin. Code Ch. REEB 18.

TITLE EVIDENCE

■ **CONVEYANCE OF TITLE:** Upon payment of the purchase price, Seller shall convey the Property by warranty deed (trustee's deed if Seller is a trust, personal representative's deed if Seller is an estate or other conveyance as provided herein) free and clear of all liens and encumbrances, except municipal and zoning ordinances and agreements entered under them, recorded easements for the distribution of utility and municipal services, recorded building and use restrictions and covenants, present uses of the Property in violation of the foregoing disclosed in Seller's disclosure report, and Real Estate Condition Report, if applicable, and in this Offer, general taxes levied in the year of closing and

_____ which constitutes merchantable title for purposes of this transaction. Seller shall complete and execute the documents necessary to record the conveyance at Seller's cost and pay the Wisconsin Real Estate Transfer Fee.

WARNING: Municipal and zoning ordinances, recorded building and use restrictions, covenants and easements may prohibit certain improvements or uses and therefore should be reviewed, particularly if Buyer contemplates making improvements to Property or a use other than the current use.

■ **TITLE EVIDENCE:** Seller shall give evidence of title in the form of an owner's policy of title insurance in the amount of the purchase price on a current ALTA form issued by an insurer licensed to write title insurance in Wisconsin. Seller shall pay all costs of providing title evidence to Buyer. Buyer shall pay all costs of providing title evidence required by Buyer's lender.

■ **GAP ENDORSEMENT:** Seller shall provide a "gap" endorsement or equivalent gap coverage at ~~(Seller's)~~ (Buyer's) **STRIKE ONE** ("Seller's" if neither stricken) cost to provide coverage for any liens or encumbrances first filed or recorded after the effective date of the title insurance commitment and before the deed is recorded, subject to the title insurance policy exclusions and exceptions, provided the title company will issue the endorsement. If a gap endorsement or equivalent gap coverage is not available, Buyer may give written notice that title is not acceptable for closing (see lines 365-371).

■ **PROVISION OF MERCHANTABLE TITLE:** For purposes of closing, title evidence shall be acceptable if the required title insurance commitment is delivered to Buyer's attorney or Buyer not more than 15 days after acceptance ("15" if left blank), showing title to the Property as of a date no more than 15 days before delivery of such title evidence to be merchantable per lines 341-348, subject only to liens which will be paid out of the proceeds of closing and standard title insurance requirements and exceptions, as appropriate.

■ **TITLE NOT ACCEPTABLE FOR CLOSING:** If title is not acceptable for closing, Buyer shall notify Seller in writing of objections to title within 15 days ("15" if left blank) after delivery of the title commitment to Buyer or Buyer's attorney. In such event, Seller shall have a reasonable time, but not exceeding 5 days ("5" if left blank), from Buyer's delivery of the notice stating title objections, to deliver notice to Buyer stating Seller's election to remove the objections by the time set for closing. In the event that Seller is unable to remove said objections, Buyer may deliver to Seller written notice waiving the objections, and the time for closing shall be extended accordingly. If Buyer does not waive the objections, Buyer shall deliver written notice of termination and this Offer shall be null and void. Providing title evidence acceptable for closing does not extinguish Seller's obligations to give merchantable title to Buyer.

■ **SPECIAL ASSESSMENTS/OTHER EXPENSES:** Special assessments, if any, levied or for work actually commenced prior to the date of this Offer shall be paid by Seller no later than closing. All other special assessments shall be paid by Buyer.

CAUTION: Consider a special agreement if area assessments, property owners association assessments, special charges for current services under Wis. Stat. § 66.0627 or other expenses are contemplated. "Other expenses" are one-time charges or ongoing use fees for public improvements (other than those resulting in special assessments) relating to curb, gutter, street, sidewalk, municipal water, sanitary and storm water and storm sewer (including all sewer mains and hook-up/connection and interceptor charges), parks, street lighting and street trees, and impact fees for other public facilities, as defined in Wis. Stat. § 66.0617(1)(f).

☐ **ENVIRONMENTAL EVALUATION CONTINGENCY:** This Offer is contingent upon a qualified independent environmental consultant of Buyer's choice conducting an Environmental Site Assessment of the Property (see lines 288-302), at (Buyer's) (Seller's) expense **STRIKE ONE** ("Buyer's" if neither is stricken), which discloses no Defects. For the purpose of this contingency, a Defect (see lines 223-225) is defined to also include a material violation of environmental laws, a material contingent liability affecting the Property arising under any environmental laws, the presence of an underground storage tank(s) or material levels of hazardous substances either on the Property or presenting a significant risk of contaminating the Property due to future migration from other properties. Defects do not include conditions the nature and extent of which Buyer had actual knowledge or written notice before signing the Offer.

■ **CONTINGENCY SATISFACTION:** This contingency shall be deemed satisfied unless Buyer, within _____ days of acceptance, delivers to Seller a copy of the Environmental Site Assessment report and a written notice listing the Defect(s) identified in the Environmental Site Assessment report to which Buyer objects (Notice of Defects).

CAUTION: A proposed amendment is not a Notice of Defects and will not satisfy this notice requirement.

■ **RIGHT TO CURE:** Seller (shall) **STRIKE ONE** ("shall" if neither is stricken) have a right to cure the Defects. If Seller has the right to cure, Seller may satisfy this contingency by: (1) delivering written notice to Buyer within 10 days of Buyer's delivery of the Notice of Defects stating Seller's election to cure Defects, (2) curing the Defects in a good and workmanlike manner and (3) delivering to Buyer a written report detailing the work done within 3 days prior to closing. This Offer shall be null and void if Buyer makes timely delivery of the Notice of Defects and written Environmental Site Assessment report and: (1) Seller does not have a right to cure or (2) Seller has a right to cure but: (a) Seller delivers written notice that Seller will not cure or (b) Seller does not timely deliver the written notice of election to cure.

396 [DEFAULT] Seller and Buyer each have the legal duty to use good faith and due diligence in completing the terms and conditions of this Offer. A
 397 material failure to perform any obligation under this Offer is a default which may subject the defaulting party to liability for damages or other legal
 398 remedies.

399 If Buyer defaults, Seller may:

- 400 (1) sue for specific performance and request the earnest money as partial payment of the purchase price; or
 401 (2) terminate the Offer and have the option to: (a) request the earnest money as liquidated damages; or (b) sue for actual damages.

402 If Seller defaults, Buyer may:

- 403 (1) sue for specific performance; or
 404 (2) terminate the Offer and request the return of the earnest money, sue for actual damages, or both.

405 In addition, the Parties may seek any other remedies available in law or equity.

406 The Parties understand that the availability of any judicial remedy will depend upon the circumstances of the situation and the discretion of the
 407 courts. If either Party defaults, the Parties may renegotiate the Offer or seek nonjudicial dispute resolution instead of the remedies outlined above.
 408 By agreeing to binding arbitration, the Parties may lose the right to litigate in a court of law those disputes covered by the arbitration agreement.

409 **NOTE: IF ACCEPTED, THIS OFFER CAN CREATE A LEGALLY ENFORCEABLE CONTRACT. BOTH PARTIES SHOULD READ THIS**
 410 **DOCUMENT CAREFULLY. BROKERS MAY PROVIDE A GENERAL EXPLANATION OF THE PROVISIONS OF THE OFFER BUT ARE**
 411 **PROHIBITED BY LAW FROM GIVING ADVICE OR OPINIONS CONCERNING YOUR LEGAL RIGHTS UNDER THIS OFFER OR HOW TITLE**
 412 **SHOULD BE TAKEN AT CLOSING. AN ATTORNEY SHOULD BE CONSULTED IF LEGAL ADVICE IS NEEDED.**

413 **[ENTIRE CONTRACT]** This Offer, including any amendments to it, contains the entire agreement of the Buyer and Seller regarding the
 414 transaction. All prior negotiations and discussions have been merged into this Offer. This agreement binds and inures to the benefit of the Parties
 415 to this Offer and their successors in interest.

416 **[PROPERTY DIMENSIONS AND SURVEYS]** Buyer acknowledges that any land, building or room dimensions, or total acreage or building square
 417 footage figures, provided to Buyer by Seller or by a broker, may be approximate because of rounding, formulas used or other reasons, unless
 418 verified by survey or other means.

419 **CAUTION: Buyer should verify total square footage or acreage figures and land, building or room dimensions, if material to Buyer's**
 420 **decision to purchase.**

421 **[BUYER'S PRE-CLOSING WALK-THROUGH]** Within 3 days prior to closing, at a reasonable time pre-approved by Seller or Seller's agent, Buyer
 422 shall have the right to walk through the Property to determine that there has been no significant change in the condition of the Property, except for
 423 ordinary wear and tear and changes approved by Buyer, and that any Defects Seller has agreed to cure have been repaired in the manner agreed
 424 to by the Parties.

425 ~~**[PROPERTY DAMAGE BETWEEN ACCEPTANCE AND CLOSING]** Seller shall maintain the Property until the earlier of closing or occupancy of~~
 426 ~~Buyer in materially the same condition as of the date of acceptance of this Offer, except for ordinary wear and tear. If, prior to closing, the Property~~
 427 ~~is damaged in an amount of not more than five percent (5%) of the selling price, Seller shall be obligated to repair the Property and restore it to~~
 428 ~~the same condition that it was on the day of this Offer. No later than closing, Seller shall provide Buyer with lien waivers for all lienable repairs and~~
 429 ~~restoration. If the damage shall exceed such sum, Seller shall promptly notify Buyer in writing of the damage and this Offer may be canceled at~~
 430 ~~option of Buyer. Should Buyer elect to carry out this Offer despite such damage, Buyer shall be entitled to the insurance proceeds, if any, relating~~
 431 ~~to the damage to the Property, plus a credit towards the purchase price equal to the amount of Seller's deductible on such policy, if any. However,~~
 432 ~~if this sale is financed by a land contract or a mortgage to Seller, any insurance proceeds shall be held in trust for the sole purpose of restoring the~~
 433 ~~Property.~~

434 **[NOTICE ABOUT SEX OFFENDER REGISTRY]** You may obtain information about the sex offender registry and persons registered with the
 435 registry by contacting the Wisconsin Department of Corrections on the Internet at <http://www.widocoffenders.org> or by telephone at
 436 (608) 240-5830.

437 **[INSPECTIONS AND TESTING]** Buyer may only conduct inspections or tests if specific contingencies are included as a part of this Offer. An
 438 "inspection" is defined as an observation of the Property which does not include an appraisal or testing of the Property, other than testing for
 439 leaking carbon monoxide, or testing for leaking LP gas or natural gas used as a fuel source, which are hereby authorized. A "test" is defined as
 440 the taking of samples of materials such as soils, water, air or building materials from the Property and the laboratory or other analysis of these
 441 materials. Seller agrees to allow Buyer's inspectors, testers, appraisers and qualified third parties reasonable access to the Property upon
 442 advance notice, if necessary to satisfy the contingencies in this Offer. Buyer and licensees may be present at all inspections and testing. Except
 443 as otherwise provided, Seller's authorization for inspections does not authorize Buyer to conduct testing of the Property.

444 **NOTE: Any contingency authorizing testing should specify the areas of the Property to be tested, the purpose of the test, (e.g., to**
 445 **determine if environmental contamination is present), any limitations on Buyer's testing and any other material terms of the**
 446 **contingency.**

447 Buyer agrees to promptly restore the Property to its original condition after Buyer's inspections and testing are completed unless otherwise agreed
 448 to with Seller. Buyer agrees to promptly provide copies of all inspection and testing reports to Seller. Seller acknowledges that certain inspections
 449 or tests may detect environmental pollution which may be required to be reported to the Wisconsin Department of Natural Resources.

450 ☐ **INSPECTION CONTINGENCY:** This contingency only authorizes inspections, not testing (see lines 437-449). This Offer is contingent upon
451 a qualified independent inspector(s) conducting an inspection(s) of the Property which discloses no Defects. This Offer is further contingent upon
452 a qualified independent inspector or qualified independent third party performing an inspection of _____

453 _____ (list any Property feature(s) to be separately inspected, e.g., dumpsite, etc.) which
454 discloses no Defects. Buyer shall order the inspection(s) and be responsible for all costs of inspection(s). Buyer may have follow-up inspections
455 recommended in a written report resulting from an authorized inspection performed provided they occur prior to the deadline specified at line 461.
456 Each inspection shall be performed by a qualified independent inspector or qualified independent third party.

457 **CAUTION:** Buyer should provide sufficient time for the primary inspection and/or any specialized inspection(s), as well as any follow-up
458 inspection(s).

459 For the purpose of this contingency, Defects (see lines 223-225) do not include conditions the nature and extent of which Buyer had actual
460 knowledge or written notice before signing the Offer.

461 ☒ **CONTINGENCY SATISFACTION:** This contingency shall be deemed satisfied unless Buyer, within _____ days of acceptance,
462 delivers to Seller a copy of the inspection report(s) and a written notice listing the Defect(s) identified in the inspection report(s) to which Buyer
463 objects (Notice of Defects).

464 **CAUTION:** A proposed amendment is not a Notice of Defects and will not satisfy this notice requirement.

465 ☒ **RIGHT TO CURE:** Seller (shall)(shall not) **STRIKE ONE** ("shall" if neither is stricken) have a right to cure the Defects. If Seller has the right to
466 cure, Seller may satisfy this contingency by: (1) delivering written notice to Buyer within 10 days of Buyer's delivery of the Notice of Defects stating
467 Seller's election to cure Defects, (2) curing the Defects in a good and workmanlike manner and (3) delivering to Buyer a written report detailing the
468 work done within 3 days prior to closing. This Offer shall be null and void if Buyer makes timely delivery of the Notice of Defects and written
469 inspection report(s) and: (1) Seller does not have a right to cure or (2) Seller has a right to cure but (a) Seller delivers written notice that Seller will
470 not cure or (b) Seller does not timely deliver the written notice of election to cure.

471 ☐ **CLOSING OF BUYER'S PROPERTY CONTINGENCY:** This Offer is contingent upon the closing of the sale of Buyer's property located at
472 _____, no later than _____. If Seller accepts a bona fide secondary offer,
473 Seller may give written notice to Buyer of acceptance. If Buyer does not deliver to Seller a written waiver of the Closing of Buyer's Property

Section 2 Findings and Determinations.

It is hereby found and determined that:

(a) based on representations of the Borrower, the Project constitutes a "project" authorized by the Act;

(b) a public hearing has been duly held on January 19, 2015 in accordance with the provisions of Section 147(f) of the Internal Revenue Code of 1986, as amended, at which residents of the City of Sheboygan, Wisconsin were given an opportunity to be heard in regard to the proposed issuance of the Bonds and the nature and location of the proposed Project;

(c) the purpose of the Issuer's financing costs of the Project is and the effect thereof will be to promote the public purposes set forth in the Act;

(d) it is desirable that three series of revenue bonds in the aggregate principal amount not to exceed \$10,000,000 (the "Series 2015A Bonds", Series 2015B Bonds" and the "Series 2015C Bonds", collectively the "Bonds") be issued by the Issuer upon the terms set forth in the Bond Agreement, under the provisions of which the Issuer's interest in the Bond Agreement (except for certain rights as provided therein) and the loan repayments will be assigned to the Trustee as security for the payment of principal of and interest on and premium, if any, on all the Bonds outstanding under the Bond Agreement;

(e) the loan payments provided for in the Bond Agreement, and the formulas set out for revising those payments under the Bond Agreement as required under the Act, are sufficient to produce income and revenue to provide for prompt payment of principal of and interest on and premium, if any, on Bonds issued under the Bond Agreement when due; the amount necessary in each year to pay the principal of and interest on the Bonds is the sum of the principal of, and interest on, the Bonds due in such year, whether on a stated payment date, a redemption date, or otherwise; and the Bond Agreement provides that the Borrower shall provide for the maintenance of the Project in good repair, keeping it properly insured; and

(f) under the provisions of the Act, the Bonds shall be limited obligations of the Issuer, and the Bonds do not constitute an indebtedness of the Issuer, within the meaning of any state constitutional or statutory provision, and do not constitute nor give rise to a charge against the Issuer's general credit or taxing powers or a pecuniary liability of the Issuer.

Section 3 Approvals and Authorizations; Authentication of Transcript.

3.01 This resolution shall constitute the approval of the Bonds within the meaning of Section 147(f) of the Internal Revenue Code of 1986, as amended, and the Bonds are hereby approved. There is hereby approved

The Mayor and the City Clerk are authorized and directed to execute and seal the Bonds as prescribed in the Bond Agreement and to deliver them to the Trustee (together with a certified copy of this resolution and any other documents required by the Bond Agreement) for authentication and delivery to the Original Purchaser.

3.03 The Issuer hereby elects to have the provisions of Section 144(a)(4)(A) of the Internal Revenue Code of 1986, as amended, apply to the Bonds.

3.05 The approval hereby given to the various documents referred to in this resolution includes the approval of such additional details therein as may be necessary and appropriate for their completion and such modifications thereto, deletions therefrom and additions thereto as may be approved by the Issuer's attorney and bond counsel. The execution of any document by the appropriate officer or officers of the Issuer herein authorized shall be conclusive evidence of the approval by the Issuer of such document in accordance with the terms hereof.

Res. No. 131 - 14 - 15. By Alderperson Hammond. January 5, 2015.

A RESOLUTION authorizing the Purchasing Agent to enter into a seven year lease to Purchase agreement for the remount and refurbishing of (3) three existing ambulance bodies onto new chassis and the purchase of one pre-owned 2008 model ambulance with just 2,000 miles, four Stryker Power Cots, new Cardiac Monitors and related equipment:

WHEREAS; The Sheboygan Fire Department will be making its final lease payment on the current ambulance vehicles in January 2015 and;

WHEREAS; The three current ambulance vehicles will be eight years old and are becoming less reliable as well as more costly to maintain. In addition, the "spare" ambulance which was purchased second-hand in 2007 has exceeded its expected useful life and is no longer reliable or able to be re-certified and;

WHEREAS; The Sheboygan Fire Department in conjunction with City Staff began the process of investigating replacement in early 2014 and performed countless hours of research to determine the present and future needs of the City with regard to ambulance vehicles as well as the equipment used for patient transport, advanced life support and other services provided to the taxpayers of the City of Sheboygan and;

WHEREAS; The Sheboygan Fire Department initially determined that the City ought to purchase (3) brand new ambulances, fully equipped, to replace the current vehicles. A bid was issued for same with the projected costs approaching \$ 900,000.00 as proposed by the bidders. In the interest of fiscal responsibility, an alternate course of action was pursued whereby the Three current vehicles would receive new chassis and the ambulance bodies would be refurbished and re-used, in this way extending the initial return on investment on these vehicles, after a determination was made that these bodies can be re-used following a careful inspection and update and continue to meet specifications and:

WHEREAS; in 2007, the three ambulances and all equipment were purchased at total cost of approximately \$ 570,000.00. Under the plan contained herein the City will end up with four, fully equipped frontline ambulance vehicles with new chassis, updated life support equipment and power lifting cots as recommended by the City's insurer, CVMIC, to assist in the reduction of injuries incurred while lifting patients.

III

WHEREAS; the work to be performed on the ambulances will be performed in the State of WI, and will be performed by the same company that performs specialized repairs to the city's fire apparatus. In addition, while each ambulance conversion occurs, the City will have the use of a loaner ambulance at no cost other than fuel, insurance and preventative maintenance.

WHEREAS; The City has further researched a leasing vendor who will provide a 7 year lease at an interest rate of 2.97%. The first payment will not be due until January 2016 with the annual amount of payments not to exceed \$106,455.75.

RESOLVED: That the Purchasing Agent is hereby authorized to enter into a Lease to purchase agreement with Tax Exempt Leasing Corporation of Libertyville IL, having a principle amount not to exceed \$664,000.00.

BE IT FURTHER RESOLVED: That the appropriate City Officials are hereby authorized to draw annual lease payments on the appropriate ambulance reserve accounts as identified by the Finance Director an amount not exceeding \$106,455.75 per year for a total of seven (7) years at an interest rate of 2.97%, with the first payment to be due in January of 2016.

NOTICE OF CLAIM UNDER 893.80 AND 893.82, WIS. STATS.

**TO: Attorney General J.B. Van Hollen

1315 N 23rd St., # 101
Sheboygan, WI 53081**

PLEASE TAKE NOTICE that, pursuant to §§ 893.80 and 893.82, Wis. Stats., Sandra Behr, by her attorneys, KASTER LAW, 735 W. Wisconsin Ave., Twelfth Floor, Milwaukee, WI 53233, (414) 326-3270, hereby assert claims against the City of Sheboygan, Sheboygan Police Department, and Sheboygan Police Officer Hang Lor, in his individual and official capacity (hereinafter "City of Sheboygan et al.") for excessive use of force, negligence and batter in violation of Wisconsin law and the rights guaranteed by the Fourth Amendment of the U.S. Constitution and 42 U.S.C. §1983.

On or around June 14, 2012, Officer Hang Lor responded to a call near 1101 Erie Ave, Sheboygan, Wisconsin, 53081. The alleged incident occurred between Sandra Behr, her husband Ronald Behr, and the Behr's neighbors. At the time, Mrs. Behr was 68 years old and Mr. Behr was 63 years old. Mr. Behr was also confined to a wheelchair.

When Officer Lor arrived at the scene, he first spoke to the neighbors. At that time, Mr. and Mrs. Behr were on the sidewalk in their front yard. After finishing the

discussion with the Behr's neighbors, Officer Lor walked directly toward Mrs. Behr, who was causing no disruption but instead remained waiting for Officer Lor on the sidewalk in the front of her house and in full public view, knocked the cup of soda out of her hand, grabbed her arm, and threw her to the ground. Officer Lor's excessive force left Mrs. Behr with injuries to her face, mouth, arms and legs. There was no reason for Officer to believe Mrs. Behr posed any danger.

As a result of the circumstances set forth above, Mrs. Behr asserts and, unless adequately compensated by the City and Officer Lor, intends to litigate the following claims, among others:

1. By throwing Mrs. Behr to the ground without justification, Officer Lor, and thereby the Sheboygan Police department and the City, are liable for Battery, Excessive Use of Force in Arrest and negligence under Wisconsin law.
2. Officer Lor denied Mrs. Behr's right to be free from unreasonable searches and seizures in violation of the Fourteenth Amendment of the United States Constitution and 42 U.S.C. § 1983.

As a result of the substantial damages and injury caused by the wrongful conduct set forth above, Mr. and Mrs. Behr seek the following relief:

1. For Mrs. Behr's physical injuries, emotional distress, adverse psychological effects, and humiliation and embarrassment, not less than \$50,000;
2. For loss of society and companionship suffered by Mr. Behr, not less than \$25,000;
3. For the intentional and malicious violation of Mrs. Behr's constitutional rights by Officer Lor or conduct by him that was wantonly committed in reckless or callous disregard of those rights, punitive damages in an amount not less than \$100,000;
4. Reasonable attorney fees, as provided by law, in an amount to be determined at the time of compensation.

The City is liable for the unlawful conduct and relief set forth above, directly, vicariously, and/or as indemnitor under Wis. Stat. § 895.46, to the extent that Officer Lor acted within the scope of his employment while carrying out his duties as a police officer or employee of the City.

Value Explanations

Low Retail Value

This vehicle would be in mechanically functional condition, needing only minor reconditioning. The exterior paint, trim, and interior would show normal wear, needing only minor reconditioning. May also be a deteriorated restoration or a very poor amateur restoration. Most usable 'as-is'.

Some of the vehicles in this publication could be considered 'Daily Drivers' and are not valued as a classic vehicle. When determining a value for a daily driver, it is recommended that the subscriber use the low retail value.

Note: This value does not represent a 'parts car'.

Average Retail Value

This vehicle would be in good condition overall. It could be an older restoration or a well-maintained original vehicle. Completely operable. The exterior paint, trim, and mechanics are presentable and serviceable inside and out. A '20-footer'.

High Retail Value

This vehicle would be in excellent condition overall. It could be a completely restored or an extremely well maintained original vehicle showing very *minimal* wear. The exterior paint, trim, and mechanics are not in need of reconditioning. The interior would be in excellent condition. **Note:** This value does not represent a '100 Point' or '# 1' vehicle *.

* '100 Point' or '# 1' vehicle is not driven. It would generally be in a museum or transported in an enclosed trailer to concourse judging and car shows. This type of car would be stored in a climate-regulated facility.

COMPLAINT

Plaintiffs, by their attorneys, for their complaint against the Defendant state as follows:

1. This is a class action suit to seek redress for the Defendant's failure to pay the full amount of regular and overtime wages required by law. The Plaintiffs, who are or were employees of the Defendant, are suing for the Defendant's failure to pay them the full amount of non-overtime wages required by Wis. Stat. §109.03(1) and (5); and for the Defendant's failure to include their over-the-wage-scale bonuses, education bonuses, wages for opting out of the health insurance, and revocable contributions to Health Savings Accounts in calculating their overtime

pay rates, in violation of both the Fair Labor Standards Act, Wis. Stat. §109.03(1) and (5), and DWD §274.03.

PARTIES AND JURISDICTION

2. Each of the named plaintiffs is a current employee of the City of Sheboygan, and a current resident of Wisconsin. Plaintiff Gilbertson at all times relevant to the complaint has been employed by the City of Sheboygan Department of Public Works. Gilbertson received insurance through, and paid insurance premiums to the City of Sheboygan during the years of 2011-2014. FLSA consent forms for the Named Plaintiffs either are attached to, or will be filed with the Court.

3. Pursuant to City of Sheboygan policy, because the wage rate for Gilbertson is higher than the maximum rate for the position that he holds with the City of Sheboygan Department of Public Works, at each annual review Gilbertson is eligible to receive, and has received a bonus in lieu of a wage increase.

4. Plaintiff Walsh at all times relevant to the complaint has been employed by the City of Sheboygan Police Department. Walsh received insurance through, and paid insurance premiums to the City of Sheboygan throughout the years of 2011-2012. During 2012 the City of Sheboygan also made a revocable contribution to Walsh's Health Savings Account.

5. Plaintiff Braesch at all times relevant to the complaint has been employed by the City of Sheboygan Police Department. Braesch did not receive health insurance through the City of Sheboygan during the years of 2011 to 2014. Beginning in the year 2012, Braesch received from the City of Sheboygan a payment of \$1,200 per year for opting out of the City health insurance. Beginning in the year 2013, Walsh also received from the City of Sheboygan a payment of \$1,200 per year for opting out of the City health insurance.

6. During the years of 2012 through 2014, Plaintiffs Walsh and Braesch received from the City of Sheboygan an annual payment of \$600 because of their level of education attained.

7. Plaintiffs Gilbertson and Walsh are appropriate representative of a class described as:

All current and former full time and part time employees of the City of Sheboygan who made any insurance premium payments to the City of Sheboygan, which remained in the City of Sheboygan's Health Self Insurance Fund on December 30th of 2012, 2013, or 2014.

8. Plaintiff Gilbertson additionally is an appropriate representative of both an opt-in class under the Fair Labor Standards Act and an opt-out class under Wis. Stat. §803.08 described as:

All current and former full time and part time overtime pay eligible employees of the City of Sheboygan who, on or after January 1, 2012, received bonus payments from the City of Sheboygan in lieu of wage increases because their wage rates were over the maximum rate for their positions, but did not have those bonus payments included in calculating their regular rate for overtime pay.

9. Plaintiffs Walsh and Breasch additionally are appropriate representatives of both an opt-in class under the Fair Labor Standards Act and an opt-out class under Wis. Stat. §803.08 described as:

All current and former full time and part time overtime pay eligible employees of the City of Sheboygan who, on or after January 1, 2012, received an education bonus from the City of Sheboygan, but did not have those education bonus payments included in calculating their regular rate for overtime pay.

10. Plaintiff Walsh additionally is an appropriate representative of both an opt-in class under the Fair Labor Standards Act and an opt-out class under Wis. Stat. §803.08 described as:

All current and former full time and part time overtime pay eligible employees of the City of Sheboygan who, on or after January 1, 2012, received a revocable

Health Savings Account contribution from the City of Sheboygan, but did not have those revocable Health Savings Account contributions included in calculating their regular rate for overtime pay.

11. Plaintiff Breasch and Walsh additionally are appropriate representatives of both an opt-in class under the Fair Labor Standards Act and an opt-out class under Wis. Stat. §803.08 described as:

All current and former full time and part time overtime pay eligible employees of the City of Sheboygan who, on or after January 1, 2012, received a payment from the City of Sheboygan for opting out of the City health insurance plan, but did not have the payment for opting out of the health insurance included, in calculating their regular rate for overtime pay.

12. Defendant City of Sheboygan is a political subdivision of the State of Wisconsin; and is an employer within the meaning of both the Fair Labor Standards Act, 29 U.S.C. §203(d); and within the meaning of Wis. Stat. §109.01(2). City hall for the City of Sheboygan, which serves as its principal place of business, is located at 828 Center Avenue in Sheboygan, Wisconsin.

13. The Court has subject matter jurisdiction over this lawsuit pursuant to 29 U.S.C. §216(b), which grants to state courts concurrent jurisdiction to hear lawsuits arising under the Fair Labor Standards Act; and pursuant to Wis. Stat. §109.03(1) and (5), which authorizes direct lawsuits by employees against their employer for unpaid regular and overtime wages required by the statutes and regulations of the Wisconsin wage payment laws, Chapter 109 of the statutes and Chapter 274 of the DWD regulations.

14. The Court has personal jurisdiction over all defendants in this action pursuant to Wis. Stat. §801.05(1) and (3) since all of the acts or omissions by the defendants complained of in the complaint occurred in Wisconsin.

15. Venue is proper in Sheboygan County Circuit Court pursuant to Wis. Stat.

§801.50 when the claim arose in, and the Defendant resides, and conducts substantial business in Milwaukee County.

FACTS

I. Facts Related to the Payment of Health Insurance Contributions Towards Workers Compensation Premiums and Expenses.

16. At all times relevant to the complaint the City of Sheboygan has made self-insured health and dental insurance coverage available to certain of its full time and part time employees.

17. Beginning on a date unknown to the Plaintiffs, the City of Sheboygan has maintained a Health Self Insured Fund ("Health Fund") into which it deposits all employer and employee health and dental insurance premiums, and out of which it pays all of the claims, administrative expenses, and other costs associated with its health and dental insurance program.

18. Because the City of Sheboygan's insurance program is self-insured, the cost of the full health insurance premium for its employees is set by an actuary, and adopted by the City of Sheboygan Common Council. At all times relevant to the complaint and through the end of 2014, once the premium has been set, represented employees paid a share of the premium set by their collective bargaining agreements, while non-represented employees paid a share of the premium set by the City of Sheboygan.

19. In addition to receiving the employee payment of health and dental insurance premiums, the Health Fund also receives premiums contributions from the City of Sheboygan and/or the various departments of the City of Sheboygan that employ the Plaintiffs, contributions from both Medicare eligible and non-Medicare eligible retirees, and contributions from persons who participate in the City insurance program through COBRA insurance. The Health Self Insurance fund also receives some investment income each year.

20. The Health Fund does not segregate the contributions and premiums that it receives by either the identity of the payer, nor between monies received during the current year and previous years. Consequently, each dollar maintained in the Health Fund has an equal probability of being transferred to the payee, when a payment is made out of the Health Fund.

21. When the Plaintiffs are or were covered by collective bargaining agreements, their hourly wage rates were set by the collective bargaining agreements.

22. Plaintiffs who were not covered by collective bargaining agreements received an annual review with their supervisors/managers, which generally occurred around their anniversary date. During the annual review the Plaintiff would be informed of either a change to his hourly wage rate, or that his hourly wage rate would remain the same for the next year. During the annual reviews the City of Sheboygan did not inform the employees of its right to, and did not make a reservation of right to reduce the wage rates promised during the annual reviews.

23. On the Plaintiffs' paychecks their weekly gross wages are calculated using the wage rates that are required either by the collective bargaining agreements applicable to them, or set by their annual reviews. Once the gross wages are calculated, then deductions including but not limited to the health and dental insurance premiums are made from the gross wages, resulting in the net wage that is actually paid to the employees.

24. The City of Sheboygan therefore counted 100% of the health and dental insurance premiums deducted from the paychecks of the Plaintiffs towards its payment of wages to the Plaintiffs at rates required by their collective bargaining agreements and/or annual reviews.

25. The City of Sheboygan maintains a self-insured Workers Compensation Fund ("Workers Comp Fund"). In October of 2012, the City of Sheboygan Common Council adopted

a resolution providing that there should be a balance of \$1.5 million dollars in the Workers Comp Fund, and a combined balance of \$4.5 million dollars in the Workers Comp Fund and the Health Fund.

26. Near the end of 2012, as a result of excess premium contributions charged by the Defendant to the Plaintiffs, retirees, COBRA participants, and the Departments of the City of Sheboygan, the Health Fund had a balance in excess of \$5.5 million dollars.

27. In order to comply with the Common Council resolution, on December 31, 2012 the City of Sheboygan transferred the amount of \$1,622,864 from the Health Fund to the Workers Comp Fund. Once placed in the Workers Comp Fund, the \$1,622,864 was earmarked to, and at least some of the monies have already been used to discharge the City of Sheboygan's liabilities imposed by the Wisconsin Workers Compensation Statute, Chapter 102 of the Wisconsin statutes.

28. Calculated proportionally, as necessary given that regardless of source each dollar placed into the Health Self Insurance Fund had an equal probability of being spent at any time, the \$1,622,864 transferred from the Health Fund into the Workers Comp Fund included at least \$120,000 in health and dental premium payments made by the Plaintiffs in 2012, and at least \$25,000 in health and dental premium payments made by the Plaintiffs prior to 2012.

29. On December 31, 2013, the City of Sheboygan transferred \$68,795 from the Health Fund into the Workers Comp Fund. Since the Health Fund was not divided between funding sources in 2013, the \$68,795 included, approximately \$5,000 in health and dental premium payments made by the Plaintiffs in 2013, and at least \$2,000 in health and dental premium payments made by the Plaintiffs prior to 2013.

30. Upon information and belief, on December 31, 2014 the City of Sheboygan will

transfer a yet to be determined amount from the Health Self Insurance Fund into the Workers Comp Fund. The 2014 transfer will include both health and dental premium payments made by the Plaintiffs in 2014, and health and dental premium payments made by the Plaintiffs prior to 2014.

II. Facts Related to Bonus Payments to Employees Receiving Wage Rates Higher than the Maximum Rate of the Wage Scale.

31. Pursuant to the City of Sheboygan's most recent compensation plan for non-represented employees, a maximum rate is set for each classification held by the City of Sheboygan's non-represented employees.

32. During the year of 2012, the City of Sheboygan provided to its non-represented employees, who were already receiving a wage rate higher than the maximum rate for their classification, a mandatory bonus payment. The mandatory bonus payment was made to the Plaintiffs as a substitute for wage increases, which they were not eligible to receive because their wage rate was already higher than the set maximum rate for their respective classifications.

33. Those City of Sheboygan employees who did receive a wage increase for the year 2012 had the wage increase paid to them throughout 2012.

34. A number of employees who received the mandatory bonus payment from the City of Sheboygan in 2012 were covered by a union collective bargaining agreement during 2011, and had received wage increases required by said collective bargaining agreement(s) throughout 2011.

35. Since the City of Sheboygan would not pay employees both a contractual wage increase and a bonus for the same hours worked, the 2012 mandatory Over the Scale Bonus was compensation for the Plaintiffs' work in 2012, rather than their work in 2011.

36. Beginning in 2013, the Plaintiffs who received a wage rate higher than the set

maximum rate for their classification were eligible to receive an annual bonus from the City of Sheboygan, as compensation for their ineligibility for receiving wage increases from the City of Sheboygan. Since the City of Sheboygan would not pay two separate bonuses to its employees for their same hours worked, and the 2012 mandatory bonuses already paid the Plaintiffs for their hours worked in 2012, any 2013 annual bonuses received by the Plaintiffs were compensation for their hours worked in 2013; while any 2014 annual bonuses received by the Plaintiffs were compensation for their hours worked in 2014.

37. During the years of 2013 and 2014, the annual bonuses were paid to the Plaintiffs after their annual reviews, which occurred around the time of their anniversary dates with the City of Sheboygan, and in most cases long before the end of the calendar year covered by the bonus payments.

38. During the years of 2012 through 2014, the City of Sheboygan did not include the Over the Scale Bonuses paid to Plaintiffs in calculating their regular rate of compensation used to calculate their overtime pay entitlement.

III. Facts Related to Education Bonus Payments.

39. For many of the Plaintiffs the City of Sheboygan paid an education bonus, directly to the Plaintiffs, for completion of post-secondary education credit hours and/or degrees.

40. In each case the education bonuses were mandated by the applicable collective bargaining agreements and/or policies binding upon the City of Sheboygan.

41. The City of Sheboygan therefore did not retain any discretion to deny the payment of education bonuses to Plaintiffs who had the requisite post-secondary education hours and/or degrees. The education bonuses therefore were contractually required payments rather than gifts.

42. The education bonuses are not earmarked to compensate the Plaintiffs when no work was performed, were not paid to the Plaintiffs as compensation for their work during overtime hours, weekends and other regular days of rest, nor as a premium for the employees' work outside their regular established work days and work hours. Plaintiffs received the education bonuses regardless of when the credits and/or degrees were received; and during each year for the same credits and/or degrees received.

43. During the years of 2012 through 2014, the City of Sheboygan did not include the education bonuses paid to the Plaintiffs in calculating their regular rate of compensation used to calculate their overtime pay entitlement.

IV. Facts Related to the Health Reimbursement Account Contributions.

44. During the years of 2012 and/or thereafter, the City of Sheboygan made contributions to the Health Reimbursement Accounts of certain of the Plaintiffs.

45. The contributions made by the City of Sheboygan to its employees' Health Reimbursement Accounts are revocable, given that employees could no longer use the contributions remaining in their Health Reimbursement Accounts once their employment with the City of Sheboygan ends through termination for cause.

46. During the years of 2012 through 2014, the City of Sheboygan did not include the revocable Health Reimbursement Account Contributions paid to the Plaintiffs in calculating their regular rate of compensation used to calculate their overtime pay entitlement.

V. Facts Related to Bonus Payments for Opting Out of the Health Insurance.

47. At all times between 2012 and 2014, the City of Sheboygan was required by its collective bargaining agreements and binding policies to pay to the Plaintiffs, who opted out of the City's health insurance, a payment of \$1,200 per year in cash. The payments were directly

made to the Plaintiffs, rather than to a third party administrator.

48. Employees who opted out of the City's Health Insurance for a portion of a year, before successfully reenrolling in the City's health insurance received a pro-rated portion of the \$1,200 per year cash payment.

49. The City of Sheboygan ore did not retain any discretion to deny the payment of the full or pro-rated portion of the \$1,200 per year cash payment, to Plaintiffs who opted out of the Health Insurance. The cash payments for opting out of the health insurance therefore were contractually required payments rather than gifts.

50. The cash payments for opting out of the health insurance were not earmarked to compensate the Plaintiffs when no work was performed, were not paid to the Plaintiffs as compensation for their work during overtime hours, weekends and regular other days of rest, and were not paid to the Plaintiffs as a premium for their work outside their regular established work hours.

51. During the years of 2012 through 2014, the City of Sheboygan did not include the cash payments for opting out of the health insurance, paid to the Plaintiffs in cash, in calculating their regular rate of compensation used to calculate their overtime pay entitlement.

VI. Collective Action Factual Allegations.

52. Pursuant to 29 U.S.C. §216(b), the same collective action certification procedures are applicable for the Plaintiffs' FLSA overtime rate calculation claims, regardless of whether those claims are brought in federal or state court.

53. Named Plaintiffs bring their third count for relief under the Fair Labor Standards Act, on own behalf of themselves and all other similarly situated current and former full and part

time employees of the City of Sheboygan ("FLSA Class"), pursuant to Section 16(b) of FLSA, 29 U.S.C. §216(b).

54. The proposed FLSA Class will consist of four sub-classes: Those Plaintiffs whose over-the scale bonus payments were not included in calculating their regular rate for overtime pay, those Plaintiffs whose education bonuses were not included in calculating their regular rate for overtime pay, those Plaintiffs whose revocable Health Reimbursement Account contributions paid by the City of Sheboygan were not included in calculating their regular rate for overtime pay, and those Plaintiffs whose cash payments for opting out of the City health insurance were not included in calculating their regular rate for overtime pay.

55. At least one of the named plaintiffs is similarly situated to members of each of the proposed FLSA subclasses, in that they were subject to the City of Sheboygan's common practice, policy, or plan of (a) failing to count their over-scale bonus payments toward their regular rate for overtime pay; (b) failing to count their education bonus payments toward their regular rate for overtime pay; (c) failing to count the revocable Health Reimbursement Account contributions that they received toward their regular rate for overtime pay; and (d) failing to count their cash payments received for opting out of the City health insurance towards their regular rate for overtime pay.

56. For each of the proposed FLSA subclasses, the named plaintiff(s) are similarly situated to the remaining members of the class in that they received cash payments for overtime during the years of 2012 to 2014, so that the City of Sheboygan's identical practices, policies, and plans outlined in the prior paragraph resulted in a diminution of overtime pay received both by the named plaintiffs' and the remaining members of each of the proposed FLSA subclasses.

57. The Plaintiffs' claim for relief for violations of the FLSA may be brought and maintained as an "opt-in" collective action pursuant to Section 16(b) of FLSA, 29 U.S.C. §216(b), for prospective members of each of the four proposed FLSA subclasses that are similarly situated to the named plaintiffs, and have claims that are similar to the named plaintiffs' claims for relief under the FLSA.

58. Following the filing of this Complaint, members of the FLSA Class may sign Consent to Sue forms, and agree to "opt in" as plaintiffs to this litigation.

59. The claims of the named plaintiffs are representative of the claims of members of the FLSA Class in that they were all overtime pay eligible employees of the City of Sheboygan who did not receive the full amount of overtime pay required by the FLSA, as a result of the City of Sheboygan's unlawful policy, procedure, or plan to exclude portions of their compensation from calculating their regular rate for overtime pay.

60. The names and addresses of the FLSA Class are available from Defendants, and notice should be provided to the FLSA Class via first class mail to their last known address as soon as possible.

VII. CLASS ACTION ALLEGATIONS PURSUANT TO WIS. STAT. §803.08.

61. Named Plaintiffs bring their Wisconsin law claims on behalf of themselves, as well as all other similarly situated and eligible current and former full time and part time employees of the City of Sheboygan, pursuant to the Wisconsin class action statute, Wis. Stat. §803.08.

62. Plaintiffs propose a Wisconsin class including five sub-classes: Plaintiffs whose health insurance premium payments were indirectly contributed towards defraying the costs of paying for the City of Sheboygan's obligations under the Wisconsin Workers' Compensation

statute, so that they did not receive the full amount of wages required by their collective bargaining agreements and/or annual reviews; Those Plaintiffs whose over-the scale bonus payments were not included in calculating their regular rate for overtime pay; those Plaintiffs whose education bonuses were not included in calculating their regular rate for overtime pay; those Plaintiffs whose revocable Health Reimbursement Account contributions paid by the City of Sheboygan were not included in calculating their regular rate for overtime pay; and those Plaintiffs whose cash payments for opting out of the City health insurance were not included in calculating their regular rate for overtime pay.

63. The Plaintiffs' claims against the Defendants present questions of common and general interest to all of the Plaintiffs including whether the City of Sheboygan indirectly used deductions from the employees' wages towards its costs of fulfilling its obligations under the Wisconsin Workers Compensation statutes; whether as a result the monies indirectly used to fund Sheboygan's obligations under the Wisconsin Workers Compensation statutes can no longer count as wages paid by the City of Sheboygan to the Plaintiffs, whether the Plaintiffs as a result have received the full amount of wages required by Wis. Stat. §109.03(1) and (5); and whether the City of Sheboygan is permitted by Wisconsin law to exclude certain bonuses, Health Reimbursement Account, and insurance opt-out payments, when calculating the Plaintiffs' regular rate used to calculate their overtime pay.

64. City of Sheboygan employs and employed several hundred employees who paid health insurance premiums to the City of Sheboygan through payroll deductions at all times between 2011 and 2014.

65. During payroll weeks within the past two years, the City of Sheboygan employed at a minimum dozens of employees who received the Over the Scale Bonuses, worked at least

one hour of overtime for which he was paid in cash during a year in which they received the bonuses, and did not receive the correct amount of overtime pay as a result of the City of Sheboygan's unlawful exclusion of the bonuses from calculating the regular rate for the Plaintiffs.

66. During payroll weeks within the past two years, the City of Sheboygan employed at a minimum dozens of employees who received education bonuses, worked at least one hour of overtime for which he was paid in cash during a year in which they received the education bonuses, and did not receive the correct amount of overtime pay as a result of the City of Sheboygan's unlawful exclusion of the bonuses from calculating the regular rate for the Plaintiffs.

67. During payroll weeks within the past two years, the City of Sheboygan employed at a minimum dozens of employees who received the revocable Health Reimbursement Account contributions, worked at least one hour of overtime which he was paid in cash during a year in which they received the contributions, and did not receive the correct amount of overtime pay as a result of the City of Sheboygan's unlawful exclusion of said contributions from calculating the regular rate for the Plaintiffs.

68. During payroll weeks within the past two years, the City of Sheboygan employed at a minimum dozens of employees who received an annual cash payment for opting out of the City health insurance, worked at least one hour of overtime for which he was paid in cash during a year in which they received the cash payment, and did not receive the correct amount of overtime pay as a result of the City of Sheboygan's unlawful exclusion of said annual cash payment from calculating the regular rate for the Plaintiffs.

69. For each of the five proposed subclasses of the Plaintiff's §803.08 class, there are

dozens if not hundreds of members of the proposed subclasses, so that the members of each of the proposed subclasses are very numerous, and it would be impractical to bring all of the Plaintiffs before the Court as individual and separate plaintiffs.

70. The Plaintiffs are adequate representatives of the class in that for each subclass the named class representatives lost legally required compensation as a result of the same City of Sheboygan policies as the remaining members of the subclass, have a direct financial interest in obtaining affirmative answers to the common questions listed in paragraph 65 of the complaint, and have retained experienced and competent counsel to represent the class.

71. The benefits of the class action far outweigh any burdens it would impose in that each of the common questions posed by paragraph 65 of the Complaint can be resolved as a question of law, on a class-wide basis, and based upon largely undisputed background facts; and given that the amount of damages that the Plaintiffs have sustained can be calculated using the payroll and insurance contribution records maintained by the City of Sheboygan.

72. Additionally, given that the amount of damages that individual Plaintiffs have suffered as a result of the Defendant's violation of Wisconsin wage and hour laws are small, when compared to the likely costs of litigating the Plaintiffs' claims against the Defendant, a class action is the only available procedure to make judicial resolution available for the claims of all Plaintiffs; and to ensure that the claims of the Plaintiffs are resolved in a uniform manner, rather than through hundreds of mini-trials resolving the identical factual and legal issues.

Count I. Failure to Pay Full Amount of Wages Required by Law In Violation of Wis. Stat. §109.03(1) and (5).

73. Plaintiffs re-allege, and incorporate by reference, the allegations contained in paragraphs 1-72 of the Complaint.

74. The City of Sheboygan transferred monies from the Health Fund, including

employee health and dental insurance premium payments, into the Workers Comp Fund, so that the transferred monies could be, and were used to defray its expenses of complying with its obligations imposed by the Wisconsin Workers' Compensation statute, during at least 2012 and 2013, and upon information and belief in 2014 as well.

75. Pursuant to Wis. Stat. §102.16(3), no wage deductions from the paychecks of employees may be used, directly or indirectly, for the purpose of discharging an employer's obligations imposed by the Wisconsin Workers' Compensation statute.

76. Plaintiff health and dental insurance premium payments, upon their transfer from the Health Fund to the Workers Comp Fund, could no longer constitute wages paid by the City of Sheboygan to its employees.

77. Pursuant to Wis. Stat. §109.03(1) and (5), an employer is required to pay to its employees the full amount of wages owed to them, and no agreement between an employer and either its employees or their bargaining representative can waive the employees' right to the full amount of wages owed to them.

78. Wis. Stat. §109.03(1) and (5) authorizes the collection of wages which became unpaid long after the work that earned the wages had been performed.

79. The City of Sheboygan is required by its collective bargaining agreements, policies, and annual reviews to pay to the Plaintiffs wages at the rates promised to them, for each and every hour that they performed work for the City of Sheboygan.

80. Once a portion of the Plaintiffs' health and dental insurance contributions were transferred by the City of Sheboygan to its Self-Insured Workers Comp Fund, so that he transferred contributions could no longer count towards wages paid by the City of Sheboygan to its employees, the Plaintiffs were no longer receiving the full amount of wages promised by the

City of Sheboygan through its collective bargaining agreements, policies and annual reviews.

81. The Plaintiffs are therefore entitled to recover from the City of Sheboygan the full amount of the difference between the wages that they have received from the City of Sheboygan, once the transfers from the Health Self Insurance Fund to the Workers Compensation Fund during the years of 2012 to 2014 have been taken into account; and the amount of wages that they are entitled to receive, calculated using the rates promised by the City of Sheboygan through its collective bargaining agreements, policies, and annual reviews.

82. The amount of total wages owed to the Plaintiffs equal the full amount of active employee health and dental insurance premium payments transferred by the City of Sheboygan from the Health Fund to the Workers' Comp Fund.

83. In addition, the Plaintiffs are entitled to 50% increased damages for all of their unpaid wages, plus their reasonable attorneys fees and costs of prosecuting their wage claim.

II. Failure to Pay Correct Amount of Overtime Pay under Wisconsin law.

84. Plaintiffs re-allege, and incorporate by reference, the allegations contained in paragraphs 1-83 of the complaint.

85. DWD §274.03 provides that for all hours worked over 40 per week, all employees shall receive overtime pay equal to at least one and one half his regular rate. All overtime wages required to be paid by the DWD regulations are enforceable through a lawsuit brought under Wis. Stat. §109.03(5).

86. While no Wisconsin statutes or regulations have defined what constitutes the employees' regular rate, DWD §274.03 is identically worded to 29 U.S.C. §207(a)((2)(C), the provision of the Fair Labor Standards Act requiring the calculation of overtime pay using the employee's regular rate. The same definition of the regular rate under the FLSA therefore is also

applicable, when interpreting DWD §274.03 and Wis. Stat. §109.03(5).

87. 29 U.S.C. §207(e) defines the sums paid by the employer to its employees, which can be excluded from determining the regular rate at which the employee is employed. Under §207(e)(3), bonus payments can be excluded from the determination of the regular rate only if they are discretionary rather than mandatory, and only if the bonus payments are determined at or near the end of the period of work for which the bonus serves as payment.

88. Applying §207(e)(3) as interpreted by the United States Department of Labor, the Over-the Scale Bonuses received by the Plaintiffs in 2012 must be included in calculating the Plaintiffs' regular rate because it was a mandatory, rather than a discretionary bonus.

89. Similarly, the Over-the-Scale Bonuses received by the Plaintiffs in 2013 and 2014 were in most cases determined long before the end of the calendar year, the period of work for which the bonus payments served as compensation. The Over-the-Scale bonuses received by the Plaintiffs in 2013 and 2014 therefore must also be included in calculating the Plaintiffs' regular rate.

90. The education bonuses received by the Plaintiffs must be included in calculating the Plaintiffs' regular rate in that they were mandatory rather than discretionary payments, were not designed to compensate the Plaintiffs for periods when no work was performed, were paid directly by the City of Sheboygan to the Plaintiffs rather than to a trustee or third person, were not paid pursuant to a bona fide plan to provide pension or welfare benefits to the Plaintiffs, and were not paid for the Plaintiffs' work during overtime, weekend, or other hours outside the regular established workday or workweek.

91. The cash payments received by the Plaintiffs for opting out of the City health insurance must be included in calculating the Plaintiffs' regular rate in that they were mandatory

rather than discretionary payments, were not designed to compensate the Plaintiffs for periods when no work was performed, were paid directly by the City of Sheboygan to the Plaintiffs rather than to a trustee or third person, were not paid pursuant to a bona fide plan to provide pension or welfare benefits to the Plaintiffs, and were not paid for the Plaintiffs' work during overtime, weekend, or other hours outside the regular established workday or workweek.

92. The Health Reimbursement Account contributions that the City of Sheboygan made to the Plaintiffs cannot constitute irrevocable contributions within the meaning of §207(e)(4), when the Plaintiffs would lose their right to access the contributions, once they were terminated for cause.

93. The Health Reimbursement Account Contributions therefore must be included in calculating the Plaintiffs' regular rate.

94. By failing to comply with the requirements outlined in paragraphs 87 to 93 of the Complaint, the City of Sheboygan paid overtime pay to the plaintiffs at a rate lower than one and one half times the regular rate at which they are employed, for their hours worked over 40 per week that were paid by the City of Sheboygan in cash, in violation of DWD §274.03 and Wis. Stat. §109.03(1) and (5).

95. The Plaintiffs are eligible for, in addition to all overtime pay required by law, 50% of the unpaid overtime pay as increased damages under Wis. Stat. §109.11(2); as well as their actual attorneys fees and costs incurred by prosecuting their wage claims against the City of Sheboygan pursuant to Wis. Stat. §109.03(6).

III. Failure to Pay Correct Amount of Overtime Pay Under FLSA.

96. Plaintiffs reallege, and incorporate by reference, the allegations contained in paragraphs 1-95 of the complaint.

97. By failing to include the Over-the Scale Bonuses, Education Bonuses, Revocable Health Reimbursement Account contributions, and cash payments for opting out of the health insurance in the calculation of the Plaintiffs' regular rate for overtime pay, the City of Sheboygan violated 29 U.S.C. §207(a)(2)(C), for the same reasons that its calculation of the regular rate also violated parallel provisions of Wisconsin law.

98. The City of Sheboygan's violation of §207(a)(2)(C) is willful in that it should have known, by conducting a minimal investigation into the exemptions outlined by §207(e) and regulations of the Department of Labor interpreting the exemptions, that non-discretionary bonus payments, discretionary bonus payments that the employees were told they would receive long before the end of the time period covered by the bonus payments, annual education bonuses, revocable health insurance contributions, and cash payments to the employee for declining the City's health insurance are not included within the exemptions listed in §207(e).

99. The Plaintiffs' FLSA claims are therefore subject to the longer three year statute of limitations to seek redress for the City of Sheboygan's willful violations of the FLSA.

100. The Plaintiffs are entitled to receive, in addition to all wages owed to them under the FLSA, 100% of the owed wages as liquidated damages, plus their reasonable attorneys fees and costs of prosecuting their FLSA claims.

WHEREFORE, the Plaintiffs respectfully move the Court to enter an order that:

1. Certifies each of the collective and Wis. Stat. §803.08 classes outlined in this complaint;
2. Awards to the Plaintiffs all wages, liquidated damages and increased wages, and attorneys fees and costs prayed for by the complaint;
3. Awards to the Plaintiffs such other and further relief as the Court deems just and

proper.

Dated this 19th day of December, 2014.
