I can just submit this email as a communication for our next council/PPS meeting. This is something the City Engineer would take care of.

Good afternoon, Chief.

The email below is from a resident in my district. She's asking about having a space on the street in front of her home designated as handicapped parking only. To be honest, I thought that was only for businesses or public buildings.

If we are able to designate handicapped parking in front of someone's house, what do I need to do to help this woman out? Is this something that would go through the city clerk and get referred to the PP&S committee? Any forms that need to be completed?

**Subject:** Handicap no parking sign,

Dear 21st Ward Alderman,

I am asking for your help in the matter of obtaining a handicap no parking sign to be put in front of my house. Officer Hellmer from the Sheboygan Police Dept. told me that other residents in the city of sheboygan do have these signs and their Alderman aided in getting them. My father is 96 years old and everyone parks in front of my house and I can not get my father into the car for his needed appointments because of this. I would sincerely appreciate a phone call or a email as to how I go about getting this or applying for this sign. I can be reached at 920-457-4528 or at this email [pattikbeyer@gmail.com](mailto:pattikbeyer@gmail.com).

Thank you,  
Kathleen Burkard
