Any applications for a waiver from the Sex Offender Residency restrictions received by Noon on the Thursday prior to the following Monday's Council meeting will be submitted to that Council for referral to Public Protection and Safety. Anything after Noon on Thursday will not go to Council until the next Council meeting. I know your agents are the ones that need to know this as they bring in the applications to the Clerk's Office. This timeline will also apply to people who just come into our office to drop off their own applications.

This will allow the Police Department to complete the necessary work they do to prepare for the Public Protection and Safety meeting.

Thanks for all your cooperation in this matter.....
