R. O. No. 214 - 13 - 14. By CITY CLERK. December 16, 2013.

Submitting a communication from Maria Weeks and Charles Ries Jr. in regards to holding a flea market for 2014 in Kiwanis Park.

P.W.

City Clerk

December 4, 2013

Dear City Council:

Hi, this is Maria Weeks, I spoke with Cinda several times to ask her what we would need to know about city ordinances in order to start a flea market business in Sheboygan. During our conversation, she asked me to send a letter of introduction explaining who we are, what we want to do and when, where and how we would do it--so I went through each item in detail just to try and cover everything.

Who we are:

We, Charles Ries Jr. and Maria Weeks, started Anunnaki Asylum Studio as a General Partnership and prior to this idea of running a flea market, we sold handmade products at flea markets for a number of years. Our product lines ranged from wood products, fabric crafts, jewelry, incense, candles and more. Having learned a lot from our early flea market experiences, we plan to expand our business and start running our own annual weekly flea market at a South end of Kiwanis Park in Sheboygan.

To introduce us individually, I, Maria have had extensive experience setting up events as the owner of a small local record label. From 1998 to 2008 I was responsible for co-organizing many music events including several grassroots music festivals with attendance reaching in excess of 2000 people. Among my other achievements, I also organized musical performance set times, set up booths for vendor sales, created and distributed promotional materials for the bands, and set up tours both in the US and Europe. Because of my experience organizing, time management, event promotion and attending to the needs of vendors and customers, my assets really align with running a profitable weekly flea market business. In addition, I also possess my BA in Expressive and Therapeutic Arts from Marian University where I learned to facilitate expressive and artistic activities for varied populations and I feel strongly about the beneficial nature of art and expression as a contributor to positive health. I currently attend Lakeland College and am pursuing my Master of Arts in Counseling.

My general partner Charles Ries Jr. has cultivated a lot of valuable experience in construction, having worked for 16+ years installing roofing and siding. During that experience he earned physical strength during teardown and cleanup, extensive experience with precise 3 dimensional measuring and installation while siding and roofing. He also perfected many artisan disciplines including: highly detailed wood burning techniques, lapidary artisanship, fabric dying, macramé weaving and candle making. Because he is visually and spatially aware he will contribute well to this flea market project by managing the aesthetic layout of the booths. Because he is physically fit, he will be able to attend to the physical setup and cleanup work that a flea market will require. He will also be able to relate socially to many of the artisan vendors because he likely has similar skill sets and interests they have.

As a team historically we've worked together on several large projects over the last 5 years, proving to be a productive and functional team in all of previous endeavors. As a 2-person team we worked to take down a 2 story granary to reclaim the wood for wood products and projects. We've worked together as a flea market duo, first manufacturing wood products, fabric crafts, jewelry, incense and candles, then coming to the flea markets to show them off! We've also worked together to set up an art show raising money and local awareness for A.S.T.O.P. sexual abuse prevention organization and now have our sights set on running a flea market ourselves! It's a big dream but I think we're ready!

What we would like to do:

We hope as our business endeavor, to create a fun, lively and festive flea market for local vendors and regional customers. We would like our flea market to focus on handmade wares, homegrown fruits and vegetables, art and music created by local artists, artisans and musicians. We hope to reach entrepreneurs of all financial backgrounds by offering reasonably priced full and half seasons booth reservations as well as a number of booths set aside weekly for those who arrive the day of the market. We will provide researching ordinances and required permits and signage laws, site reservations, organization, setup, promotion, on-site hands on assistance and care during each flea market event for both the vendors and customers. As a gesture of community and good will we would like to reserve only one hot food vendor booth and offer it free to local charities who might wish to raise money for their charitable cause. In addition we will host a regularly scheduled raffle of donated vendor wares to raise money also for a local charity. We will also provide donuts and hot coffee to the vendors for free each week to make it a welcoming perk of the event.

When we would like to do it:

Sunday's

March X 2014-October X 2014

9am - 1pm

Why we chose a flea market business in Sheboygan:

The reasons for wanting to put together a flea market in Sheboygan are multifold. When we first started researching annual weekend flea markets, we found markets scattered all over Wisconsin, but none occurring in Sheboygan. Secondly, we worked as flea market vendors for several years in other towns and realized that many towns are now known for their tourism and hospitality largely because the community comes together for a weekly annual market. By creating a festive event weekly and compiling all of the best creative assets of Sheboygan it could positively impact the Sheboygan tourism identity. This seemed like a wonderful gift to deliver unto Sheboygan using our skills and assets--since it is a town flourishing with creative energy and natural treasures.

We also feel that by having an annual weekly flea market we would be able to help small entrepreneurs who aren't quite ready for their own shingle, but have something to contribute or share. We remember how eager we felt when we were ready to share our unique wares and how much flea markets helped us early on and want to pay that feeling

forward. Also, since Charles has lived in the Sheboygan area much of his life and has brought me often to enjoy the Sheboygan area, we both feel strongly that we want to contribute our personal skills and assets to the vital energy to the local commerce.

Also since we want to help promotion local commerce in Sheboygan we would like to provide an area for local businesses to contribute and display pamphlets and business cards on sight, well as, of course, an open invitation for local business to reserve an outdoor booth as an extension of themselves. We will strive to create an enjoyable atmosphere that encourages visitors to stick around, shop and explore Sheboygan's local shops and natural treasures. Our long term goal involves making this market an annual mainstay--a platform for us to be able to contribute positively to the local community by creating a joyful event for people to attend for a good many years to come--eventually infused as a tradition in the area!

How we will pull it off:

We'll begin by gathering information about local ordinances and obtain any permits that might be necessary for the various vendor types (from you, the Sheboygan City Council). Next, we will reserve the park, and begin to determine legality of placing signs around town on the days that the market is occurring. After we know what rules we need to abide by in order to set this up right, then we will begin to promote the market. We will do this by posting the flea market information online on flea market hubs and social media sites and this will alert both potential vendors and customers. We will use our current business website as a means of providing people access to the necessary application documents and will be available to field any questions. In order to make it easy for vendors we will arrive early on market days to mark out booth perimeters and groom each booth prior to the event. The day of each weekly market, we will also act as greeters, guiding people to their spaces and remaining physically available to assist them with their initial setup and to answer any questions they may have. We will promote well and make sure that people living in the Sheboygan, Fond du Lac, Manitowoc and Port Washington communities and beyond are aware of the market prior to the opening of the 2014 season. Our advertising will involve online promotion on social media and flea market hubs, we will also submit flyers and ads locally to places that are welcoming of them, newspaper ads and potentially radio ads as our reach spreads. We will also encourage vendors to promote locally and online. We will remain committed to the market for the entire season from March til October, and we will make sure to follow the community rules and not impeding on other regularly scheduled local activities (therefore holding respect for tradition).

I think this lays out all of the things I can think of to share--I'm not sure if you'll have more questions as we go, but I'm around if you do! I can be reached at mtweeks93@marianuniversity.edu and also at 920-266-7759. I'm looking forward to learning about how we can work within the local ordinances and to obtain the necessary permits so we can begin hosting this fun weekly flea market business in Sheboygan! Thanks for your time and help along the way!

DOING THE MOST GOOD

DOING THE MOST GOOD

Almost everyone has heard of us. Every year from Thanksgiving until Christmas, there we are, with our red kettles and ringing bells to attract donations to help our cause. But what is our cause? Since December 5, 1895, we have been serving the greater Sheboygan area, including Sheboygan Falls, Kohler, and Howards Grove providing social services to the needy and church programs for adults and children. To gain an additional revenue source to continue to offer all of our diverse and vital programs, we have created a fun, community building event called The Salvation Ride.

This is a ride, not a race, offering five route options from 10, 25, 50, 62.5 (a metric century), and 100 miles. All routes head south from the Sheboygan Amory / Spaceport. The roads are overall smooth and flat with some minor hills along the way. All vehicular traffic laws must be adhered to. All participants must wear helmets. There will be full sag, maintenance, and medical support. Rest stops will be stocked with fruit, cookies, other snacks, Gatorade, and water. Riders will receive a detailed cue sheet and map of the routes and the roads will be marked. All riders will receive a free pair of Wigwam socks and a meal back at the Amory / Spaceport will conclude everyone's ride.

The 62.5, and 100 mile routes will begin with a mass start at 7:30 a.m., with check in on the day of the ride beginning at 6:30 a.m. The 10, 25, and 50 mile routes will have a mass start at 9:30 a.m. with check in beginning at 8:30 a.m. Early check in for all routes will take place on Friday, July 11th, from 3 – 7 p.m. at the Amory / Spaceport.

There are three registration options: 1) Fill out the printed form and put it in the mail. The mailing address is The Salvation Army PO Box 1207 Sheboygan, WI 53082-1207, 2) Fill out the form online at www.salvationarmy.org and pay by credit card 3) register in person on the Friday before or on the day of the event and pay by check or cash.

From Hwy 43, take Exit 126 East and merge onto Kohler Memorial Drive. Continue East and turn Right onto 14th Street/Business Dr. (By Walgreens) Head South to Pennsylvania Avenue and turn left at the traffic lights. Head East until you reach the Armory/Spaceport, which will be on your left.

The map illustrates the proposed Sheboygan Expressway route, which is shown as a thick black line. The route begins near the intersection of Hwy 23 and Hwy 28, proceeds eastward through Taylor Dr, Superior Ave, Kohler Memorial Dr, and Erie Ave, then curves south through Indiana Ave and Union Ave, and finally terminates near the Sheboygan Armory / Spaceport. Other roads shown include Playbird Rd, Hwy 15, North Ave, Penn Ave, Washington Ave, and Rockwell Dr. A north arrow is located in the upper right corner, and a scale bar in the upper left corner indicates a distance of 1/4 mile. The Sheboygan Armory / Spaceport is marked with a black dot and labeled. The map also shows the Sheboygan River and the Sheboygan Peninsula.

The free clinic, which offers medical, dental, and vision care, served 40 men and 18 women. Home assistance was given to 35 families, 18 single men, and 14 single women. The Salvation Army also offers a church, pastoral care, social services counseling, a day care, and operates a retail store stocked with donations from the community.

The need for all of these services continues to grow rapidly, but the revenue to fund these programs continues to get harder to secure. Recognizing this, we have come up with a fun, community building way to gain a new revenue stream, a charity bike ride. Called "The Salvation Ride" this event will be held on Saturday, July 12, 2014 beginning and ending at the Sheboygan Armory / Spaceport. The route options will be 10, 25, 50, and 100 miles, plus a metric century (62.5 miles). Details will emerge later in 2013 and more information will be available in January 2014.

We are seeking support from the business community. It is our hope we can have all the expenses to produce the ride paid for before the first rotation of a pedal so all our rider entry fees will be able to be used by The Sheboygan Salvation Army where the need is the greatest. We offer Gold (\$1,000 or more), Silver (\$500 - \$999), and Bronze (\$250 - \$499) financial sponsorship options. If you support us, we also ask for your business logo to use in our advertising and promotion activities. Please make checks payable to The Salvation Army-Sheboygan and in the memo write The Salvation Ride. Mail to P.O. Box 1207 Sheboygan, WI 53082-1207.

We hope we have touched your heart with this letter. We also hope you appreciate how varied and vital the services of The Salvation Army are to the Sheboygan area. Please contact Bob Radzins at 920-783-1020 or e-mail rradzins@wigwam.com or contact Jeanne M. Jentsch at 920-694-1268 or e-mail jeanne_jentsch@usc.salvationarmy.org to help make "The Salvation Ride" a success next summer. Thank you for your consideration.
