Sec. 118-276. - Prohibited acts; deemed nuisance.

- (a) No person shall abandon or cause to be abandoned any motor vehicle, trailer, semitrailer or mobile home on any highway or public or private property within the city.
- (b) A motor vehicle, trailer, semitrailer or mobile home shall be deemed abandoned within the meaning of this article, and shall constitute a public nuisance, in any of the following situations:
 - (1) Whenever any such vehicle is left unattended on any highway or public or private property within the city for such time and under such circumstances as to cause the vehicle to reasonably appear to have been abandoned;
 - (2) Whenever any such vehicle is disassembled, inoperable, unlicensed, junked or wrecked and is stored or allowed to remain in the open upon public or private property within the city for a period in excess of 72 hours after notifying, in writing, the owner of the real property upon which such vehicle is placed or stored and mailing of notice to the last-known address of the vehicle owner, if different than the owner of the real property;
 - (3) Whenever any such vehicle has been allowed to remain standing on any highway or public property in the city for more than 72 hours after a notice of parking violation has been placed on the vehicle, provided that at least 48 hours have passed since mailing of a notice of intent to deem vehicle abandoned to the last-known address of the owner;
 - (4) Whenever any vehicle is removed and not reclaimed within 48 hours after notice of removal, pursuant to the procedure contained in section 118-49;
 - (5) Whenever any vehicle subject to section 118-281 is not released to the owner or operator within ten days of the mailing of official notification that the vehicle can be released to the rightful owner; or
 - (6) Whenever any vehicle has been left unattended on public or private property without the permission of the property owner for more than 48 hours.
- (c) The mail notices provided for in this section shall inform the party of the intention of the city to deem the vehicle abandoned and to remove the vehicle, of the manner of avoiding a determination of abandonment, of the means of reclaiming such vehicle should it be removed, and the availability of an informal hearing before the chief of police or his duly authorized representative.
- (d) No vehicle involved in trespass parking on a private parking lot or facility shall be removed without the permission of the vehicle owner, except upon the issuance of a repossession judgment or upon formal complaint and a citation for illegal parking issued by a traffic or police officer, including a community service officer.
- (e) In this article, "owner" includes the lessee of a vehicle if the vehicle is registered, or required to be registered, by the lessee under Wis. Stats. ch. 341.
- (f) In this article, a vehicle is "unlicensed" if the vehicle is not displaying valid registration plates, a temporary operation plate, or other evidence of registration as provided under Wis. Stat. § 341.18(1), for the vehicle's current registration period or for a registration period for the vehicle that expired within the immediately preceding 31 days.

(g) If a vehicle is deemed abandoned under section 118-276(b)(2) because more than 72 hours have elapsed since notice was provided that the vehicle was unlicensed, the vehicle shall continue to be deemed abandoned for so long as it remains unlicensed even if its location changes. If this vehicle is found parked upon public property within the city while it continues to be deemed abandoned because it is unlicensed, the vehicle may be removed without providing new notice under section 118-276(b)(2). Written notice under section 118-279 shall still be required each time the vehicle is removed.

(Code 1975, § 38-231; Ord. No. 35-02-03, § 4, 9-16-02; Ord. No. 53-03-04, § 1, 12-15-03)

- (b) The provisions of this article shall not apply to automobile sales agencies that also maintain, service and repair motor vehicles and motor vehicle repair businesses, subject to the following restrictions:
 - (1) The motor vehicles must be in such inoperable condition as to render them incapable of being driven on public streets or in such a wrecked condition as to require substantial repairs or service to permit normal use of such vehicles;
 - (2) The motor vehicles must be registered in the names of parties who are customers of such business establishments; and
 - (3) The motor vehicles cannot be continuously stored on the premises of such business establishments for a period exceeding 30 days.
- (c) The provisions of this article shall not apply to motor vehicles, trailers, semitrailers or mobile homes on private property when out of ordinary public view, nor shall they apply to vehicles designated as not abandoned by a duly authorized municipal official pursuant to ordinance.

(Code 1975, § 38-231.1; Ord. No. 35-02-03, § 5, 9-16-02)

Sec. 118-278. - Removal and impoundment.

- (a) The chief of police or any person acting on his behalf, including a towing company contracted by the police department, is authorized to remove and impound or cause to be removed and impounded, any motor vehicle, trailer, semitrailer or mobile home abandoned in violation of this division. Impounded vehicles may be stored at premises controlled by the city, or on premises controlled by the towing company that removed the vehicle. The towing company shall indemnify the city for any damages to a vehicle occurring during removal or storage.
- (b) Any vehicle removed pursuant to this section shall be impounded until lawfully claimed or disposed of under section 118-279, except that if it is deemed by the chief of police or the chief's duly authorized representative that the cost of towing and storage charges for the impoundment would exceed the value of the vehicle and the vehicle is not stolen or otherwise wanted for evidence or other reasons, the vehicle may be junked or sold prior to the expiration of the impoundment period. All substantially complete vehicles in excess of 19 model years of age shall be disposed of pursuant to section 118-279.

(Code 1975, § 38-232; Ord. No. 35-02-03, § 6, 9-16-02)

Sec. 118-279. - Reclamation or disposal.

- (a) Whenever the charges for removal and storage for a vehicle removed and impounded under section 118-278 are paid, such vehicle shall be released to its owner. The owner of a removed and impounded vehicle is entitled to an informal hearing before the chief of police or his duly authorized representative concerning the amount of accrued towing and storage charges.
- (b) If a citation upon which removal and storage is authorized is released by the chief of police or his duly authorized representative or dismissed by the court because the citation was improperly issued, the chief of police or his duly authorized representative shall release the vehicle without payment of charges for removal and storage and shall refund any charges for removal and storage of such vehicle which shall have previously been paid.
- (c) Except as provided elsewhere in this article, any motor vehicle, trailer, semitrailer or mobile home removed and impounded under this division shall be retained in storage for a period of not less than ten days after certified mail notice has been sent to the last-known address of the owner and lienholders of record to permit reclamation of the vehicle after payment of accrued charges. Such notice shall set forth the year, make, model and serial number of the abandoned vehicle, the place where the vehicle is being held, and shall inform the owner and any lienholders of their right to reclaim the vehicle. The notice shall state that the failure of the owner or lienholders to exercise their rights to reclaim the vehicle under this article shall be deemed a waiver of all right, title and interest in the vehicle and a consent to the sale of the vehicle. If the vehicle was removed and impounded under section 118-276(b)(2) because it was unlicensed, the notice shall inform the owner that if the vehicle is reclaimed and remains unlicensed it continues to be deemed abandoned. Each retained vehicle not claimed by its owner or lienholder may be disposed of at a sale by sealed bid or by auction sale as set forth below:
 - (d) At such a sale the highest bid for any retained vehicle shall be accepted unless the bid is deemed inadequate by the police chief or the chief's duly authorized representative, in which event all bids may be rejected. If all bids are rejected or no bid is received, the city may either readvertise the sale, adjourn the sale to a definite date, sell the motor vehicle at a private sale or junk the vehicle. Any interested person may offer bids on each abandoned vehicle to be sold.
 - (e) Public notice of a sale shall be posted at the police department. The posting of the notice shall be in the same form as the certified mail notice sent to the owner or lienholders of record. Upon sale of an abandoned vehicle, the city shall supply the purchaser with a completed form designed by the department enabling the purchaser to obtain a regular certificate of title for the vehicle. The purchaser shall have ten days to remove the vehicle from the storage area, but shall pay \$7.00 for each day the vehicle remains in storage after the second business day subsequent to the sale date. Ten days after the sale, the purchaser shall forfeit all interest in the vehicle and the vehicle shall be deemed to be abandoned and may be sold again immediately.
 - (f) Any listing of vehicles to be sold by the city shall be made available to any interested person or organization which makes a written request for such a list, upon payment of a fee of \$0.25 per page, plus postage.
 - (g) After deducting the expense of impoundment and sale, the balance of the proceeds, if any, shall be paid into the city treasury.

(Code 1975, § 38-233; Ord. No. 35-02-03, § 7, 9-16-02; Ord. No. 99-06-07, § 3, 4-4-07)

Sec. 118-280. - Owner responsible for impoundment and sale costs; fee for administrative costs.

- (a) The owner of any abandoned vehicle, except a stolen vehicle, is responsible for the abandonment and all costs of impounding, storage and disposing of the vehicle. Costs not recovered by the sale of the vehicle may be recovered in a civil action by the city against the owner.
- (b) When the removal is performed by or under the direction of a traffic officer and not by a towing company contracted by the police department, the charges for removal under this section shall be the actual towing fee, plus administrative costs of \$15.00 and storage costs shall be charged at the

rate of \$7.00 per day. The charges for removal and storage shall be paid to the chief of police or his duly authorized representative. When the removal is performed by a towing company contracted by the police department, the operator or owner of the vehicle removed shall pay to the contractor the charges for moving or towing and any storage as provided in the contract; notwithstanding the provisions of the contract, no operator or owner shall be required to pay any sum for moving, towing, or storage that is unreasonable under the circumstances.

(Code 1975, § 38-234; Ord. No. 80-01-02, § 1, 2-18-02; Ord. No. 35-02-03, § 8, 9-16-02; Ord. No. 99-06-07, § 4, 4-4-07)

Sec. 118-281. - Storage and disposition costs.

The owner of a vehicle impounded and stored as evidence, or pending a court jurisdiction, is responsible for the costs of storing and disposing of the vehicle once the vehicle is no longer needed as evidence or the court case has been adjudicated. Storage costs shall be charged at the rate of \$7.00 per day to commence 24 hours after the owner has received official notification that the vehicle can be released to the rightful owner. Any vehicle not released to the owner or operator within ten days of the notification being sent shall be deemed an abandoned vehicle pursuant to section 118-276.

(Code 1975, § 38-234.1; Ord. No. 80-01-02, § 2, 2-18-01; Ord. No. 35-02-03, § 9, 9-16-02; Ord. No. 99-06-07, § 5, 4-4-07)

Sec. 118-282. - Notice of sale or disposition.

Within five days after the sale or disposal of a vehicle, as provided in section 118-279, the chief of police or his duly authorized representative shall advise the state department of transportation, division of motor vehicles, of such sale or disposition on a form supplied by the division. A copy of such form shall also be given to the purchaser of the vehicle. A copy shall also be retained on file in the city.

(Code 1975, § 38-235)

ITEM DESCRIPTION: Gen. Ord. No. 26-20-21 by Alderperson Dekker amending Sections 118-276 and 118-279 of the Municipal Code relating to unlicensed vehicles.

Municipal Code: Sec. 118-276 and
118-279

BACKGROUND / ANALYSIS:

As currently written, the City's Abandoned Vehicle Ordinance (Sheboygan Municipal Code § 118-276 to § 118-283) is focused on vehicles that do not move and that are not expected to move.

For example, a vehicle is deemed abandoned when it is "disassembled, inoperable, . . . junked or wrecked and is stored or allowed to remain in the open upon public or private property within the city for a period in excess of 72 hours after [sending notice to the vehicle owner and the owner of the real property where the vehicle is parked]." (Sheboygan Municipal Code § 118-276(b)(2).)

When a vehicle has been deemed abandoned because it is disassembled, inoperable, junked, or wrecked, there is no expectation that the vehicle will move from its current location. In many cases, the vehicle moving from its current location would constitute a success.

Sheboygan Municipal Code § 118-276(b)(2) also deems a vehicle that is "unlicensed" to be abandoned. While state law requires vehicles to have license plates, mechanically there is no reason to believe that an unlicensed vehicle will not move from its current location. As a result, in some ways an unlicensed vehicle is more similar to an illegally parked vehicle than an inoperable vehicle.

The fact that unlicensed vehicles can, and often do, move locations pose enforcement challenges. The purpose of this amendment to the Abandoned Vehicle Ordinance is to deal more effectively with unlicensed vehicles parked on public property, while still providing appropriate notice to the vehicle owner.

STAFF COMMENTS:

This amendment does three things:

1. It creates a definition for “unlicensed vehicle.”

At present, unlicensed vehicle is not defined in the Abandoned Vehicle Ordinance. The amendment explicitly defines unlicensed vehicle, which provides that vehicles whose registration has recently expired do not meet the standard of an “unlicensed vehicle”. The intent of this definition is to focus enforcement efforts on vehicles with no license plate at all, or license plates that have been expired for quite some time.

2. It addresses the unique nature of an unlicensed vehicle compared to the other ways in which a vehicle can be deemed abandoned.

As mentioned in the Background / Analysis, an unlicensed vehicle can, and often does, move throughout the City. Sheboygan Municipal Code § 118-276(g) makes it clear that if a vehicle is deemed abandoned because it is unlicensed, the vehicle “shall continue to be deemed abandoned for so long as it remains unlicensed even if its location changes.” This allows an unlicensed vehicle parked on public property to be towed without providing a new, separate notice. In doing so, the unlicensed vehicle is treated more like an illegally parked vehicle than an abandoned vehicle.

3. It ensures adequate notice is provided to the owner of the unlicensed vehicle.

To avoid any confusion about the unlicensed vehicle’s continued status as an abandoned vehicle, this amendment adds a sentence to Sheboygan Municipal Code § 118-279(c), which provides that each time an unlicensed vehicle is towed, the owner will receive notice that if the vehicle is reclaimed from the tow company, the vehicle remains deemed abandoned as long as it remains unlicensed.

AN ORDINANCE amending Sections 118-276 and 118-279 of the Municipal Code relating to unlicensed vehicles.

WHEREAS, as written, the City of Sheboygan's Abandoned Vehicle Ordinance is focused on vehicles that do not move; and

WHEREAS, however, one situation in which a vehicle can be deemed abandoned under the Abandoned Vehicle Ordinance is if it is unlicensed; and

WHEREAS, because unlicensed vehicles often move throughout the City, as the Abandoned Vehicle Ordinance is currently written, the City is not currently able to effectively and efficiently address the problem of unlicensed vehicles parked on public property; and

WHEREAS, this amendment to the Abandoned Vehicle Ordinance is intended to address the issue of unlicensed vehicles parked on public property and to balance the need for notice to the vehicle owner with the City's need to effectively and efficiently deal with vehicles that, because they are unlicensed, are illegally parked on the City's streets.

NOW, THEREFORE, THE COMMON COUNCIL OF THE CITY OF SHEBOYGAN DO ORDAIN AS FOLLOWS:

Section 1. Section 118-276 of the Municipal Code entitled, "Prohibited acts; deemed nuisance" is hereby amended to read as follows:

"Sec. 118-276. *Prohibited acts; deemed nuisance.*

. . . .

(f) In this article, a vehicle is "unlicensed" if the vehicle is not displaying valid registration plates, a temporary operation plate, or other evidence of registration as provided under Wis. Stat. § 341.18(1), for the vehicle's current registration period or for a registration period for the vehicle that expired within the immediately preceding 31 days.

(g) If a vehicle is deemed abandoned under section 118-276(b)(2) because more than 72 hours have elapsed since notice was provided that the vehicle was unlicensed, the vehicle shall continue to be deemed abandoned for so long as it remains unlicensed even if its location changes. If this vehicle is found parked upon public property within the city while it continues to be deemed abandoned because it is unlicensed, the

JHS

vehicle may be removed without providing new notice under section 118-276(b)(2). Written notice under section 118-279 shall still be required each time the vehicle is removed."

Section 2. Section 118-279 of the Municipal Code entitled, "Reclamation or disposal" is hereby amended to read as follows:

"Sec. 118-279. *Reclamation or disposal.*

. . .

(c) Except as provided elsewhere in this article, any motor vehicle, trailer, semitrailer, or mobile home removed and impounded under this division shall be retained in storage for a period of not less than ten days after certified mail notice has been sent to the last-known address of the owner and lienholders of record to permit reclamation of the vehicle after payment of accrued charges. Such notice shall set forth the year, make, model, and serial number of the abandoned vehicle, the place where the vehicle is being held, and shall inform the owner and any lienholders of their right to reclaim the vehicle. The notice shall state that the failure of the owner or lienholders to exercise their rights to reclaim the vehicle under this article shall be deemed a waiver of all right, title, and interest in the vehicle and a consent to the sale of the vehicle. If the vehicle was removed and impounded under section 118-276(b)(2) because it was unlicensed, the notice shall inform the owner that if the vehicle is reclaimed and remains unlicensed it continues to be deemed abandoned. Each retained vehicle not claimed by its owner or lienholder may be disposed of at a sale by sealed bid or by auction sale as set forth below:

. . . "

Section 3. All ordinances or parts thereof in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict, and this ordinance shall be in effect from and after its passage and publication.

I HEREBY CERTIFY that the foregoing Ordinance was duly passed by the Common Council of the City of Sheboygan, Wisconsin, on the _____ day of _____, 20____.
