Dear Dave,

Sheboygan County Christian School is holding our annual "One Walk" on Friday afternoon and evening, September 30, 2016.

Our Walk will end at South Pier Parlor. We would like to hold a celebration at our event finish line, including a meal for all our participants. I would estimate that we will have 250 people at the finish line.

We would like to use the grassy area to the west of South Pier Parlor. We would set-up a tent. We would also have a PA system and a live band. Our finish line party will get underway about 4:00 p.m. and conclude by 7:00. I would like to reserve the grassy area just west of South Pier from Noon - 8 p.m. on September 30.

I will be your contact for the One Walk. You can contact me with questions on my cell phone at (920) 912-5151. Thank-you so much for considering this!

Gratefully,

Jon MacDonald
